**Re:** Academic Year 2026-2027 Children's Health House Staff Stipends

Children's Health is pleased to announce the updated House Staff stipend levels for academic year 2026-2027. As outlined below, an approximate 3% increase has been approved across all PGY levels which aligns with the recommendations of the Association of American Medical Colleges (AAMC) as communicated in the latest AAMC Stipends and Benefits report. Children's Health remains committed to maintaining competitive compensation that supports the recruitment and retention of top-tier trainees.

| ***Program Training Year*** | ***Stipend*** |
|---|---|
| *1* | $71,657.00 |
| *2* | $74,258.00 |
| *3* | $77,686.00 |
| *4* | $82,225.00 |
| *5* | $86,343.00 |
| *6* | $89,505.00 |
| *7* | $95,050.00 |
| *8* | $100,944.00 |
