Subject: Fellowship Stipend for Academic Year 2026–2027

Scottish Rite for Children Hospital is committed to being a competitive employer by reviewing trainee compensation on an annual basis. Our goal is to remain at or approaching the Association of American Colleges (AAMC) National 75th percentile for trainee salaries. This letter is to confirm the stipend for fellows within the Pediatric Orthopedic Surgery program at Scottish Rite for Children Hospital for the academic year August 1, 2026 through July 31, 2027.

The approved annual stipend level is as follows:

- **PGY-6: $86,946**

This fellowship is a one-year program, and all appointed fellows will be compensated at the PGY-6 level. The stipend amount is inclusive of the standard benefits package, calculated in accordance with institutional guidelines.

All fellows appointed within our program will be compensated in alignment with the above structure, contingent upon satisfactory performance and adherence to program requirements.

Please do not hesitate to reach out to me with any questions.

Thank you for your continued support.

Warm regards,

Dianna Prachyl, M.S.
